To the faithful of Fort McMurray (parishioners of St. John's and St. Paul's),

I want to write to you at this precarious time for your community. I am sure current events bring difficult memories for some of you of the 2016 wildfire and evacuation. You remain in my thoughts and prayers as you face the current challenges and, as always, the Diocese stands with you.

Yours in Christ,

†Gary Franken
Bishop of St. Paul in Alberta
